7

LENGTH

154 m

The landing zone by the basket is the “island” and to be safe your disc needs to come to rest in bounds there.

The red area is out of bounds. If your disc lands there you continue playing from the Drop Zone 1 with one penalty stroke added.

If you throw out of bounds again, you move to Drop Zone 2 with one more penalty throw added.

Once you are in the “island” regular OB rules apply.
