

CADDIE BOOK

Lagoda Disc Golf and Vall Tours Tourist Agency warmly welcome you to Toplice Sveti Martin and Croatia for the tenth SPA HILLS tournament!

Since our inaugural event in 2012, we have organized 111 PDGA events, including significant milestones such as the European Disc Golf Championships 2018, which hosted 200 participants from 27 nations, and the WFDF World Team Disc Golf Championship 2022, with 250 participants from 25 nations.

We are excited to welcome disc golfers from 8 countries to this special occasion. You will be playing on a temporary layout designed exclusively for this event. Beyond the competition, we encourage you to enjoy the charms of Toplice Sveti Martin resort, promising memorable experiences during your stay and hopefully enticing you to return for future editions of this event.

We also extend our sincere appreciation to our sponsors, whose recognition of disc golf as a significant sporting endeavor has been crucial to our success.

For each purchased disc, the **player enters a raffle** where they can win the grand prize - ZUCA cart, or one of other smaller prizes.

The raffle will be held immediately after the end of the 3rd round.

SIDE EVENTS

Ace Pool - 1€

The player who hits an ace during the tournament becomes the winner of the entire Ace pool prize fund. If two or more players hit an ace at the same tournament, they share the ace pool. If no player hits an ace, the ace pool is carried over to the next Lagoda tournament.

A player who wants to participate in the Ace pool must pay 1€ before the start of the first round.

Before Spa Hills there is **already 100€** in the Ace pool.

CTP – Closest to the pin

The CTP competition is played through all three rounds of the tournament on two holes (**hole 9** and **hole 17**).

In each round two players with the best result on each hole will qualify for the CTP contest finals. There is no difference if a throw is made from short or long tee. All in all, 12 players will advance to the finals. In case a player qualifies for the CTP finals more than once, they enter the final part of the competition with multiple discs/throws.

The final part of the CTP game takes place on Sunday after the 3rd round, with 12 players throwing two discs towards the basket - it will be thrown from the ground floor of the Golf house towards the course, at a distance of approximately 50m.

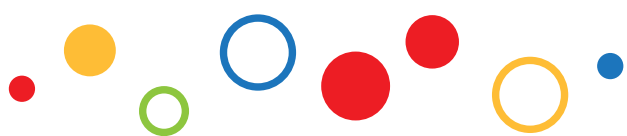

The top four results advance to the second round and throw again.

The best result earns the title of CTP contest winner.

Overachiever

The award is given to the player who has played the tournament with the highest average above their rating (according to current ratings on the PDGA website).

All tournament participants with a PDGA number and active membership **who have at least 20 rounds** included in their rating are eligible to participate in this competition.
